

Subject: Gerrish Lyon Utility Authority Meeting, Monday, October 10, 2022, 7:00 pm

Dear HLPOA Member,

Gerrish Lyon Utility Authority (GLUA) will be holding their monthly meeting on Monday, October 10, 2022 at 7:00 pm. The meeting will be held at the Gerrish Township Hall, 2997 East Higgins Lake Drive, Roscommon, Michigan.

Dr. Joan Rose from Michigan State University will be making a presentation (via Zoom) to the GLUA Board and to the public. Dr. Rose is an international authority on water microbiology, water quality, and public health safety, and she co-directs both MSU's Center for Advancing Microbial Risk Assessment (CAMRA) and its Center for Water Sciences (CWS).

Dr. Rose wrote the following article, **"Septic tanks aren't keeping human sewage out of rivers and lakes."** Attached is the link to the article, which is very pertinent to the issue at hand around Higgins Lake. <http://rosejo.msu.domains/press-releases/>

All interested citizens of Gerrish and Lyon Township are invited and encouraged to attend the GLUA meeting.
